

## **In Accord With the Lord**

**By K. Brendi Poppel**

With You is where I want to be,  
Aligned with Your design for me,  
Attuned to the Spirit, in touch with the Source,  
I pray that I might stay on course ...  
Lead me onward into Your light,  
Nourish me with divine insight,  
That I might grow wiser as the years go by,  
Help me to see and teach me to fly ...  
To fly with the wind and awaken within,  
My heart and soul at one with You,  
For it is Your will that I choose to do,  
To be in accord with the Most Holy Lord  
Is my heart's desire and my mind's choice,  
Take me higher with You and my soul will rejoice!  
Yes, that is my path, for You are the way,  
In You, I live and seek to obey,  
And continue this journey far beyond earthly shores,  
To live in accord with You, my dear Lord.
