

I Prayed for a Soulmate

By K. Brendi Poppel

I prayed for a soulmate,
God gave me a soul,

I longed to be love.
God said, love and be whole.

For serving is sacred in giving you receive,
the keys to kingdom, for if you believe

your prayers will be answered, If you allow
God to be present in the here and the now.

God's love blesses you
for only He knows how to make dreams come true.
In His timing, be patient and wait.

Let go of desire
and God will create
a bridge to tomorrow
just live for today,
God's light is the begin to show us the way.
